The presentations will be given in German or English, with short summaries offered in the other language immediately afterwards.
The conference will take place in hybrid form, virtual participation is possible. The link to the event will be available in advance via the Stadtarchiv website.
A recording of the presentations will be available afterwards via the ViRAL website and the websites of the partner institutions.

The current Corona rules apply on site.

The City of Dornbirn and six European partner institutions invite you to the

Closing Conference of the ViRAL-Project

Telling history in virtual spaces

Examples, concepts and reflections for affordable projects

Dornbirn Town Hall, Großer Sitzungssaal

Speakers from Austria and abroad will present innovative methods of bringing history into virtual space, thereby communicating it to a broad audience. Come and be inspired by new project ideas!
